**Re: ACKNOWLEDGEMENT OF BURSARY FUNDS FOR B.Sc (FOR.)
STUDENTS, 1ST SEMESTER 2009**

I wish to acknowledge that the University of Venda, Finance Department, has received funds totaling **R 255,115.00** being bursary for 14 students registered for the Bachelor of Science (Forestry) degree. The list of students, who had earlier signed Bursary Agreement Forms between themselves and FIETA, was submitted to you.

This memo is to greatly acknowledge the generous support that FIETA has continued to provide to the Forestry Programme at Univen, in the form of student bursaries. I will forward to you the official examination results for the students, for the 1st semester 2009, once they are finalized.

Once again, we thank FIETA for the support.

With best regards,

Prof R E L Ole-Meiludie
DEAN
